

KERR, RUSSELL AND WEBER, PLC
ATTORNEYS AND COUNSELORS

Early Stage and Emerging Growth Companies

Kerr, Russell and Weber provides a full range of legal services to clients in the early stages of growth. Our attorneys recognize the very specialized needs of early stage and growth companies and possess both the knowledge and experience to help foster continued growth and success.

Our capabilities with respect to early stage and emerging growth companies include:

- Structuring limited liability companies, corporations, partnerships and other business entities to maximize applicable legal and tax benefits
- Providing guidance on corporate governance and management strategies
- Introductions to capital providers
- Strategic partnering
- Angel investment
- VC financing
- IPO and other exit strategies
- Stakeholder relations
- Licensing, franchising and intellectual property protection
- Options, appreciation rights and other incentives
- Employee benefits and incentives
- Governmental incentives, tax credits and abatements
- Assistance with real estate acquisitions and leasing
- Litigation and alternative dispute resolution
- Tax and other regulatory compliance
- Non-compete and non-disclosure agreements
